

## Privacy Policy

The following is the privacy policy of CIFI - Corporación Interamericana para el Financiamiento de Infraestructura, S.A.

### **I.- Principle of prior consent and non-transfer of personal data**

No personal data is collected through CIFI's website without your knowledge, nor is it transferred to third parties.

### **II.- Confidentiality in the automated processing of Users' personal data**

CIFI guarantees the confidentiality of the personal data provided by users and its automated processing in accordance with the regulations applicable to this matter.

Users are allowed to send their personal data unencrypted through standard contact forms, hosted on CIFI's servers. The personal data collected will be automatically processed and incorporated into the corresponding files.

CIFI will provide Users with permanent access to this document so that, prior to the delivery of personal data, they may give their informed consent.

### **III.- Purpose of the collection and automated processing of personal data**

The collection and automated processing of personal data, as a result of browsing through the pages of the web site, consultation, request, contracting or subscription to any service offered by CIFI has the following purposes: (i) the management, administration and provision of the services in which the user decides to register, use or contract; (ii) the quantitative and qualitative study of the visits and the use of the services by the users; and (iii) the sending by traditional and electronic means of information about the products, services and/or communications offered by CIFI.

### **IV.- Use of Cookies and the activity file. Website monitoring**

The website uses cookies. The cookies used by the website are files created by your browser to record the user's activities on the website and allow a more fluid and personalized navigation. The user has the possibility to configure his browser to block cookies or, if necessary, delete them. To use this website, it is not necessary for the user to allow the downloading, creation or installation of cookies.

The website servers automatically detect the IP address and network name used by the user. All this information is recorded in a server activity file that allows the subsequent processing of the data in order

to obtain statistical measurements that allow us to know the number of page impressions, the number of visits made to web services, etc.

In addition to the website's own monitoring systems, the website uses external statistical tools from various analytics service providers to help us analyze how users use the website. The information generated by the cookie about your use of the website (including your IP address) will be directly transmitted to and stored by these service providers. You may refuse the processing of data or information by rejecting the use of cookies by selecting the appropriate settings on your browser, however, please note that if you do this you may not be able to use the full functionality of the site. By using this site you consent to the processing of information about you by our analytics service providers in the manner and for the purposes set out above.

#### **V.- Transfer of users' personal data to third parties**

CIFI will not transfer users' personal data collected through the Website to third parties without their express consent. Notwithstanding the foregoing, the user consents to the transfer of his/her personal data when so required by the competent administrative authorities or by court order.

#### **VI.- Confidentiality**

The information provided by the client shall, in any case, be considered confidential, and may not be used for purposes other than those related to the services contracted with CIFI. CIFI undertakes not to disclose or reveal information about the client's claims, the reasons for the advice requested or the duration of its relationship with the client.

#### **VII.- Changes in the Privacy Policy**

CIFI reserves the right to update this Privacy Policy in order to adapt it to new developments and legislative and jurisprudential requirements, as well as to industry practices, taking into consideration at all times the legitimate interests of the owners of the data.

Certain services provided through the website may contain special conditions with specific provisions on the protection of personal data. It is essential to read and accept them prior to the presentation of the service in question.
